Notes:

Friday the 22nd is the **Homecoming Parade**. We leave the classroom around 1:10 to walk down to Manitou Avenue, then walk back around 2:00 when it ends. If you are attending and taking your child home directly from the parade, you still need to sign him/her out at the front office. Please keep me updated on this information, as the parade is a very busy event and I need to know every kiddo's plan after the parade. Thank you!
