

Parent Volunteer Survey

In First Grade, we believe that developing a list of volunteers for party planning, field trip chaperones, and UP!* project volunteers is the way we can best use your generous time commitment. For some projects we will need several volunteers, while other times we may need only one or two. So... you will not be called upon every time, and of course you will always have the option of accepting or declining. 😊

Please check the areas below in which you would like to volunteer, and we will contact you ahead of time when support is appreciated.

Important Note: A *background check* must be completed if you are interested in supporting on a field trip. If you passed a background check last year, it is still on file. If not, this process can be done at the SILC building (the district administration office behind the high school). You'll need to take your picture ID and social security card. Of course background checks are done for the safety of all of our children.

Sincerely,

Mrs. Carter, Miss Carley, Mr. Pletsch
