Notes:

Please enjoy the **handmade calendar** that came home yesterday! It is a special gift that we have been working on for the holiday season (if your kiddo is making you wait to open it, you didn't hear it was a calendar from me!).

I sent home **Winter Break packets** today. These packets are completely optional but would be a great way to reinforce important concepts (digraphs and magic e) that we have been working on in class. For kiddos who need a little extra challenge, be on the lookout for a reading challenge packet as well!
