And please keep me updated all year long with any changes to your or your child's information, particularly **(1) phone number, (2) email address, (3) allergy/medical concerns, and (4) how your child gets home after school.**

If you are picking up your child at the end of the day, please meet him/her by the west-end gate at the far end of the playground (near the gaga pit). Kids who ride the bus will be escorted to the buses by a teacher.
