*** Wednesday's exploratory is on a rotation and will change each week. ***

Notes:

Please note that next Wednesday, 8/30, is our first **2-hr delayed start day**. We will begin school at 10:00am.

If you have not yet sent a **water bottle** to school with your child, I strongly encourage you to do so. I'll have the kids bring home their water bottles on Fridays to be cleaned and returned, but your child is welcome to bring it home as frequently as you'd like if you prefer a more regular cleaning.

Your child will often bring home language arts and math worksheets, as well as other random papers. Some of these activities will be incomplete. It is always your choice whether you work on any of these pages at home. **I don't assign homework and papers don't need to be returned to me.** I do, however, strongly encourage you to read with your child every day!
